International Whey Conference

Whey: Better Than Ever!

Marketplace Opportunities

APPLICATION

The "Whey: Better Than Ever" Marketplace will be the central gathering place at the conference for networking. The marketplace will house an interactive exhibition running alongside the conference providing you with the opportunity to network with the delegates, demonstrate your products, generate new sales leads and raise your profile within the whey industry.

The marketplace will also be the gathering spot for conference attendees during luncheons, morning and afternoon refreshments breaks and evening receptions. The Marketplace opportunities are limited and will be sold on a first come basis.

Please remember, the International Whey Conference only happens once every three years so don't miss out on this opportunity to be a visible part of this unique global event!
